

BARNUM & CELILLO ELECTRIC ASKS:

Are you getting the best available price on your lighting maintenance materials?

Why not take a few moments to ensure you're getting the best pricing the industry has to offer? Simply grab an invoice from your current lighting maintenance vendor, identify the hours and materials you were billed for, insert the appropriate information below and e-mail it to compare@barnumcelillo.com. You can also visit www.barnumcelillo.com/compare and use the interactive form to input your information and directly submit it via the website.

Using either option, BCE will take the information you've provided and return a comprehensive and competitive price for you to compare. You can rest assured that BCE uses only the *Highest Quality Materials* from name brand manufacturers, and all work will be performed by *California State Certified Electricians*. At the very least you'll know how your current pricing stacks up against BCE industry leading pricing.

If you have any questions, you can e-mail us at compare@barnumcelillo.com or call **916-646-4661** to speak to someone in our lighting maintenance division. If requested, we'd be happy to send a BCE representative to you to answer any questions you may have.

For a limited time BCE is providing each survey participant with a **\$25 Starbucks gift card** in appreciation of their participation. No commitment is necessary. **Thank you!**
